2 Course information.

Distribution of weights: 2 Midterms each carrying 20, Final Exam carries 40 and Homeworks carry 20.

Exam schedule:

- Midterm 1: Oct 15 (Wednesday) in class during class hours.
- Midterm 2: Nov 19 (Wednesday) in class during class hours
• Final Exam: Dec 17 (Wednesday) in class from 4:00 p.m to 6:00 p.m.

Outline of topics to be covered: We will basically follow the text and go as far as time permits. Certain sections from some of the chapters will be omitted; these will be announced in class.

Homework information: There will be 7 Homeworks handed out and the best 5 will be counted towards your grade. Each homework will contribute 4 points towards your total grade.
